Re: Watterson v. RUI Management Service  
20-cv-01783 (SJF) (AKT)

Dear Judge Feuerstein:

This office represents Plaintiff in the above captioned matter. I apologize for having to correct my opposition to Defendants' motion to bifurcate discovery (dkt 17) on two separate occasions. Please disregard dkt 21 and 22.

On behalf of my client, I thank the Court very much for its patience.

Respectfully,
